UNICEF 'Tap Project' on World Water Day -

Address:

Citywide

www.tapproject.org/restaurants

Description: To commemorate World Water Day, patrons are invited to donate \$1 for the clean drinking water usually served for free when they visit participating NYC restaurants. The funds collected will support UNICEF water programs, which provide safe drinking water for children around the world. Top restaurants around New York City are participating, including Le Bernardin, Craft, Town and Country, Aquavit, and many more. For a complete and updated list please visit www.tapproject.org/restaurants.
