David Crosby is in Aspen on April 8 for a gig celebrating his songwriting. He penned "Eight Miles High," "Wooden Ships" and the hippy classic "Almost Cut My Hair." . . . **Mary J. Blige** and **Jay-Z** canceled their Pepsi Center date about 12 hours after it was announced this week. Add that to **Bruce Springsteen** skipping Denver on his upcoming tour and Radiohead passing on a visit. What are we, chopped liver? . . . To find restaurants participating in the UNICEF tap project, go to tapproject.org. . . . Sez who: "You haven't partied until you've partied at dawn in complete silence with Buddhist monks." **Cameron Diaz**
