

MAKE CHANGE FOR A DOLLAR.

TAP PROJECT®

A NATIONWIDE CAMPAIGN THAT PROVIDES SAFE DRINKING WATER TO THE WORLD'S CHILDREN.

When was the last time your employees could help save a child's life during work? This is the chance to offer them that lifesaving opportunity.

WHY A CAMPAIGN ABOUT CLEAN WATER?

Clean water is essential, yet nearly 900 million people worldwide lack access to it. Lack of clean water is the second largest killer of children under five – every day 4,200 children die of water-related diseases. As a Tap Project® Corporate Supporter, you can help UNICEF reduce the number of needless deaths to **zero!**

WE'LL ALSO PROVIDE COMMEMORATIVE TAP PROJECT LAPEL PINS YOUR EMPLOYEES CAN WEAR AS A SHOW OF SOLIDARITY AND SUPPORT FOR THE CHILDREN IN NEED.

We enjoy the benefits of having access to clean water every day. Let's celebrate that privilege by helping UNICEF provide that same access to children around the world. Do your part, put on a pin and join the movement!

DO YOUR PART.

It's so easy to make a tremendous impact – just one single dollar raised can provide a child with safe drinking water for 40 days! Simply register as company's Workplace Coordinator, and we will provide you with the materials you need for an easy-to-implement, fundraising engagement initiative.

HOW CAN YOUR COMPANY HELP?

REGISTER.

Beginning January 16, 2009, you can register as a Workplace Coordinator at tapproject.org.

FUNDRAISE.

Using the downloadable support materials and fundraising ideas available in the Volunteer Center at tapproject.org, collect and encourage donations through your fundraiser.

DONATE.

Submit the funds you raised by credit card or check – it's that easy!
